Appropriate Adult:

*I have understood the advice of my legal representative who has fully explained the evidence, the weight of evidence and the elements of the offence. I do not have to answer the police questions in interview but this is my opportunity to put forward my defence. I have understood the effect of a negative inference at court and the consequences of remaining silent. I am aware of the advice given to me as detailed above. I make this decision voluntarily and of my own free will.*
